Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Saturday 10 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A cold weekend with wintry showers. Temperatures rising from Monday.

Today:
A bright and frosty start to the day with cloud gradually building during the morning. Showers becoming more frequent during the afternoon, wintry at times. Maximum temperature 6 deg C (43 deg F).

Tonight:
Showers will die out inland during the evening leaving clear skies and a cold frosty night. Near the coast, wintry showers may continue overnight. Minimum temperature -2 deg C (28 deg F).

Sunday:
Wintry showers along the east coast at first. Showers becoming more widespread inland during the afternoon, and turning heavy at times over high ground. Cold and frosty overnight. Maximum temperature 6 deg C (43 deg F).

Outlook for Monday to Wednesday:
Feeling milder from Monday with prolonged sunny spells. Cloudier again on Tuesday, possible showers particularly in the west. Returning to brighter conditions on Wednesday.
